

Sponsorship

At Autism Explorers, we believe every child deserves a world filled with acceptance, opportunities, and joy.

We work hard to make sure no SEN family ever feels left behind — offering affordable sensory sessions, inclusive events, alternative education, youth projects, community workshops, and safe spaces designed with autistic children and young people in mind.

But we cannot do this alone.

Your support helps us keep sessions accessible, expand into new communities, fund resources, and continue providing life-changing experiences for families who need them most.

Why Support Autism Explorers?

✨ Because inclusion shouldn't be a luxury.

Many families cannot afford specialised activities or simply have nowhere to go. Your sponsorship ensures they have a safe, structured, sensory-friendly environment to learn, grow, and have fun.

✨ Because we listen to our community.

Everything we do is built by SEN families, for SEN families. Your support helps us respond directly to their needs — with more clubs, workshops, support groups, and creative opportunities.

✨ Because early support changes everything.

Your contribution helps children build communication, confidence, independence and emotional understanding through our autism-specific approach.

✨ Because you're helping shape an accepting future.

By supporting Autism Explorers, you're joining a movement for real autism acceptance across Norfolk — in schools, shops, cafés, events, and communities.

A child feeling accepted for the first time...

A family finally finding somewhere they belong...

An individual discovering confidence and independence...

This is what your support creates.

Autism Explorers is more than a community group — it's a safe place, a lifeline, and a family. And with your help, we can grow even further.

One off support- Perfect for individuals, families, or organisations wanting to support a specific project:

- sensory equipment
- holiday clubs

- youth groups
- training
- community inclusion work
- alternative education

Your gift creates instant impact.

Monthly donation- Your monthly donation helps sustain weekly sessions, keeps resources stocked, funds one-to-one support, and ensures our doors stay open for the families who rely on us.

Even £5 a month makes a tangible difference to a child.

Monthly support examples £5 a month can help provide fresh snack.

£10 a month can help provide craft equipment

Etc etc

Business sponsorships- Businesses can support us through:

- funding (monthly or one-off)
- sponsoring a session or event
- covering the cost of materials, resources or equipment
- providing free or discounted venue hire
- offering volunteer time
- donating raffle prizes or gifts
- co-running inclusion projects in your space

We proudly promote every sponsor across our website, social media, events and printed materials.
