On-Site After School Clubs

From £25 per hour

Offer your pupils and inclusive, sensory-friendly after-school club ran by the Autism Explorers CIC Team. Based on the success and positive impact of our established After School: Wind Down Den based in Norwich, our on-site sessions provide tailored support for children with Autism, ADHD, SEMH, and additional needs.

Our sessions offer:
-Sensory regulation and child-led play
-Creative activities
-Emotional wellbeing
-Friendship building & social skills support
-Calm transition support at the end of the day

School Talks

From £65 per hour

Our engaging school talks aim to champion neurodiversity and foster a deeper understanding of Autism and SEND.

Rooted in real-life lived experience, we share practical strategies for implementing reasonable adjustments and adaptations for autistic individuals.

We emphasise the vital role of early intervention and play, helping educators understand and support the unique needs of every child.

Interactive Sensory Activities

From £20 per hour

We bring engaging, hands-on sensory experiences directly to your school to highlight the power of learning through play.

Having successfully run these particular sessions throughout the year, at school fetes and other events, we want a partner with local schools on a regular basis, whether to support a specific curriculum topic or to enrich school events with specialised resources.

Our sessions can include:
-Sensory exploration & dark tent experiences
-Light, visual and tactile activities
-Creative messy play
-Communication & emotional regulation through play

Ideal for:
Enhancing classroom inclusion, supporting targeted interventions, or adding immersive sensory provision to school event events.

Sensory Circuits

From £25 per hour

Our structured sensory movement sessions follow the *Alert, Organise, Calm* framework to prepare pupils for learning and improve self-regulation.

Delivered at the start of the school day, these circuits promote focus, concentration, and emotional readiness in the classroom.

Our sessions focus on:

Alerting Movements - To stimulate the central nervous system.

Organising Activities - To build balance, coordination, and body awareness.

Calming Exercises - To support regulation and readiness to learn.

Flexible Delivery:
Suitable for the whole class, small groups or individual pupils.

Explorers Horizons

Explorers Horizons: PA Service
From £13 per hour

Our specialist SEND Personal Assistant Service.

Flexible, one-to-one support delivering practical assistance for families, schools and the wider community.

Our services include:
-Individualised one-to-one engagement & mentoring
-Community access and social confidence building
-Practical independence skills & emotional regulation
-Supported school-to-home transitions
-Holiday and after-school care
-Family-centred collaborative planning
